

## Requirements:

- All icons should be svg so that I can resize them
- It should be possible to use them in Powerpoint (so perhaps another format like emf should be available)
- I have proposed some ideas but I am also open to your ideas.
- I should be able to change the colors of the icons

Icon Name	Design/Sample	Description
Dataset		<ul style="list-style-type: none"> <li>- Should show a data table</li> <li>- Color should be blue like the color below</li> </ul> 
Integration Runtime		<ul style="list-style-type: none"> <li>- Should show a cloud only blue outline, not filled (color like in this icon</li> </ul>  <ul style="list-style-type: none"> <li>- Should show a small server</li> </ul>  <ul style="list-style-type: none"> <li>- maybe green or orange outline attached to the cloud instead of the run icon</li> </ul>
Trigger		<ul style="list-style-type: none"> <li>- Perhaps a switch or any other idea</li> </ul>  <ul style="list-style-type: none"> <li>-</li> </ul>  <ul style="list-style-type: none"> <li>-</li> </ul>
Link		<ul style="list-style-type: none"> <li>- In Blue outline</li> <li>- Color like this icon</li> </ul> 
Data Movement		<ul style="list-style-type: none"> <li>- Maybe a box with an up arrow and a down arrow inside. Something like this</li> </ul>  <ul style="list-style-type: none"> <li>- But color should be this Color</li> </ul>

		
Data Transformation		<ul style="list-style-type: none"><li>- Something like this icon but maybe</li><li>- Only 2 boxes with lines and 2 arrows that go to the small squares</li><li>- Color like this icon</li></ul> 
Data Control		<ul style="list-style-type: none"><li>- Showing a table with a gear icon</li><li>- perhaps table should be in blue and gear in a different color.</li></ul>
